

Client Representative Masterclass

Course aim

This Masterclass is designed to give a deeper insight into the role of Client Representative in a large yacht environment. It will give delegates the tools and the confidence to better deal with the relationships and processes involved in the management of a new build project.

Duration

This is an eight day programme.

Who should attend

The Masterclass is aimed at personnel new to the role of Client Representative in the superyacht industry and those wishing to further hone their skills in a thought-provoking and knowledge-sharing environment. Group size minimum 10 delegates, maximum 15 delegates.

Course content

- Roles of the Client Representative
- Classification and Flag State rules
- Roles of Designer, Naval Architect, Shipyard and other parties
- Managing change
- Project acceptance
- Large yacht projects and associated documentation
- Dispute resolution
- Personal planning techniques
- Understanding contracts
- Warranty Issues
- Balancing management demands

Location

Portsmouth, Hampshire, UK.

Course fee

€4,995.00, exc. VAT @ 15% per person (does not include accommodation and travel).

Course dates

Tue 19 - Thur 28 May (Sat 23 & Sun 24 free). October course dates tbc.
